

DOOA, an inspiring brand, helps you enjoy aquatic plants more freely. Minimal and easy, and designed as a platform allowing everyone to nurture plants indoors. Feel closer to nature, and bring beauty into your life.

# Illuminating tropical plants beautifully

# PALUDA LIGHT

## Paluda Light 30 / 60

Paluda Light 30

※Only black is available.

### 【Notice of product release】

Paluda Light 60

The release of DOOA Paluda Light 30/60 had been also delayed. However, we start taking orders now. It is RGB type lighting equipment developed for System Paluda 30/60, and it is ADA's original RGB configuration for enjoying glowing leaves in blue peculiar to tropical rainforest plants and bright colored flowers of small orchids with the balance ratio of R (red), G (green) and B (blue) lights that determines the light quality.
