

NATURE AQUARIUM CALENDAR 2023

To start shipping in the end of October 2022

We are now accepting orders for the Nature Aquarium Calendar 2023.

It contains six of the 180cm tank layout works created by ADA's SUIKEI creators. All the six aquascapes are exhibited at NATURE AQUARIUM EXHIBITION 2022 OSAKA at the Namba SkyO in Osaka. You can enjoy the aquascapes that you can see at the event at home.

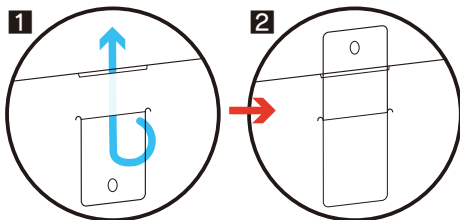

Front page *For Image Only

Back page *For Image Only

W420 × H297 (mm)
(Clear case / No imprinting)
*The calendar comes in a special bag.
*Total 7 pages including the front cover
*Two months per page
*Local holidays are not listed for universal use.

How to make the hanging part of the clear case

1. Fold the hanging part inward
2. Make the hanging part come out through the cut

Insert a new page into the clear case.

The back page can be displayed as an aquascape poster.
